

Healthcare Professionals who specialise in vestibular disorders

This list details healthcare professionals who specialise in vestibular/balance. This is not a definitive list and the Ménière's Society is unable to provide recommendations. If you are a healthcare professional and would like to add or amend your details please email info@menieres.org.uk. The listing is ordered by county and includes both NHS (N) and private (P) practices. Availability of Vestibular Rehabilitation (VR) is indicated in the final column 'VR available'.
